**Read this BEFORE printing** this on Tabloid (11x17") paper, change "Page Scaling" to NONE otherwise the PDF Print dialog often reduces somewhat. Then doublecheck the measurements after printing.

**This ruler is designed for V&B games played @2/3rds scale** (i.e. an "inch" = 2/3") so if you play half scale reduce to 75% of size (2/3" x 75" = 1/2"), or if full scale enlarge to 150%.
